

Volunteer in the European Solidarity Corps (ESC)

In the **children's and youth centre**
of „teilweise. Evangelischer Verein zur Förderung Offener Jugendarbeit im **Salzburger Süden**“.
„teilweise. Protestant Association for the promotion of open youth work in the South of
Salzburg.“
from **Oktober 1st 2022** for 12 months (arrangements about a shorter duration are possible)

We are

- ... a young and open-minded association with Christian motivation and we promote youth work in our youth centre and in the Southern part/district of Salzburg.
- ... yet at the beginning of our enterprise
- ... crazy enough to think that in connection to our work a new youth community might start (fresh X-project)

We (and therefore also you) are involved in

- the children's and youth centre during opening hours
- (learning) studying times, workshops (i.e. music, sports) and leisure time facilities
- programmes with refugees
- going out to parks and meeting-points in the city
- projects with different partners
- programmes during school holidays

You have the opportunity

- to try out your abilities and your limits in a new environment
- to be part of our team
- to be challenged
- to learn and make great experiences

You should

- share our ideals
 - be between 18 and 30 years old
 - have experience working with children and / or young people
 - speak German very well or speak English very well and have a basic knowledge of German
 - be open to different cultures
-

The volunteering is part of the European Solidarity Corps by the European Union.
